News!**

CICS Northtown Academy has been awarded the Padres Comprometidos Grant totaling \$5,000!

UnidosUS's Padres Comprometidos program offers a cohort of 30 parent participants for the Spring 2026 program cycle. UnidosUS's Padres Comprometidos program is an 8-week parent engagement initiative designed to build the capacity of Latino parents to support their children's academic success, from preschool through high school.

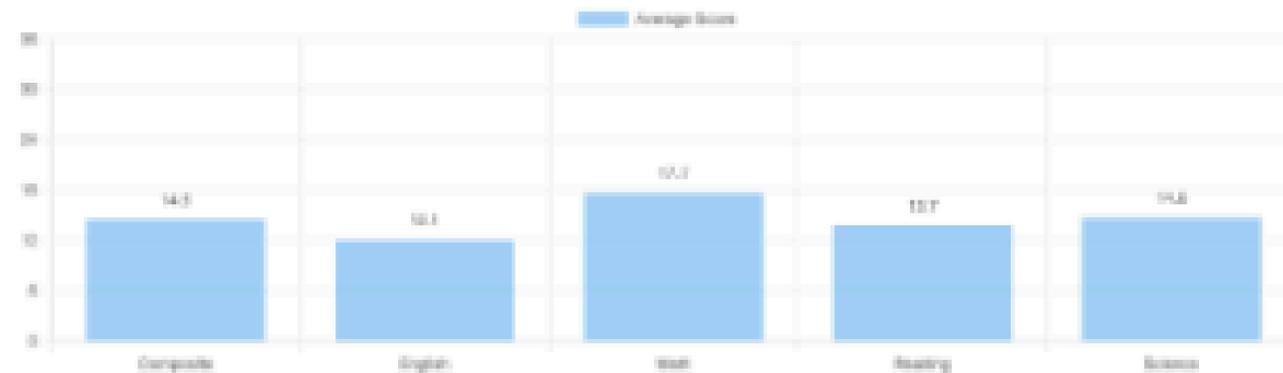

The program helps parents navigate the U.S. school system, develop college-going goals, and build confidence in advocating for their children's education.

ACT & PreACT 2026 Goal

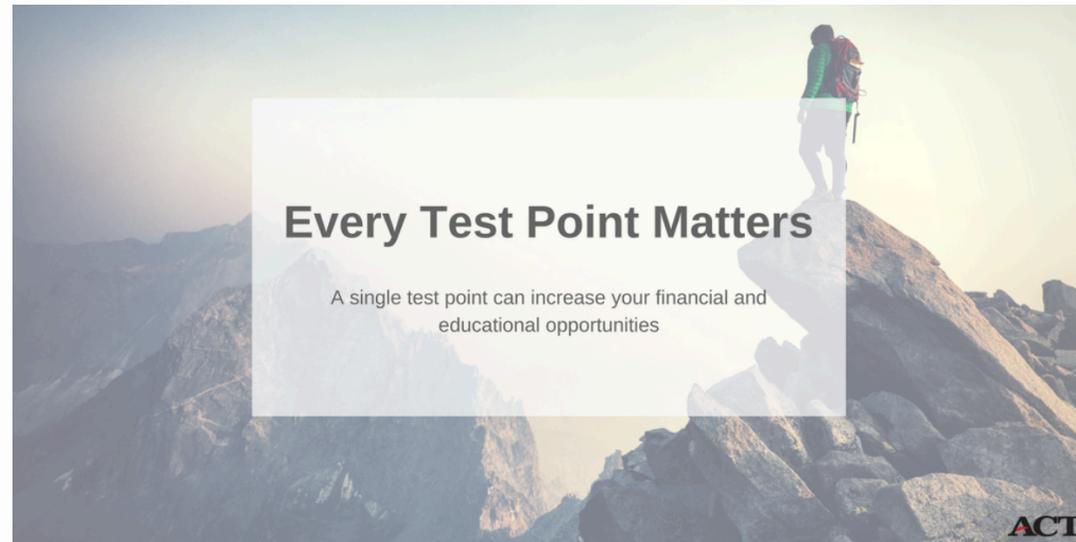

We are focused on growing every student 3 or more points on the SY26 Spring ACT.

What is the ACT and PreACT?

- The ACT and PreACT Tests are digital, multiple-choice exams that all Illinois High Schools administer in the Spring.
- The PreACT test prepares 9th and 10th Grade students for the 11th Grade ACT.

Why is it important to do well on the ACT and PreACT?

- Doing well on the ACT can help students get into college
- 88% of US colleges consider ACT test scores in their admissions decisions
- The ACT gives students information on careers they might enjoy
- High ACT scores can lead to scholarship and financial aid opportunities.

How does Northtown prepare students?

- Classrooms lessons are connected to an ACT priority standard each week
- Classroom lessons will match grade level rigor and will build ACT aligned skills
- Administered 2 full-length practice interims in the fall and winter to prepare students for spring testing

Tuesday, April 14, 2026:
