END OF THE DAY RAFFLE

Today's orientation is designed to increase your knowledge of Northtown Academy.

Pay attention, ask questions, and take notes because there will be a "Northtown Quiz" at the end of the day.

Passing the "Quiz" will enter you into a raffle for a FREE Northtown T-shirt

Preparedness, Achievement, Timely and Humanity

This results in students earn a passing grade in all of their courses and higher scores on the ACT and PreACT.

ACT & PreACT Ready

The PreACT Test is a digital, multiple-choice exam that prepares 9th and 10th Grade students for the 11th Grade ACT.

 The PreACT will be administered to freshmen and sophomores in the Spring and there will be practice assessments in the fall and winter.

The best preparation for PreACT greatness is being at school every day, completing all assignments and asking questions.

Attendance is Important!

Being at school daily is necessary to engage in class instruction. When your student misses school, they fall behind.
Students who are absent often struggle to find a sense of community within school.

 At CICS Northtown Academy, students who earn more than 20 absences in a course, during the school year, will receive an incomplete "INC" for the course and will be required to take a credit recovery course to "unlock" credit.

Attend all classes on time!

- Be on time to maximize your learning time
 - 5 minute passing periods
- Leads to earning As and Bs in all of your classes to stay on track for Graduation
- Students in the halls during class time need to have hall passes at all times

Advisory

- A daily class in which a student remains with the same group of students and the same Advisors during their 4 years at Northtown to build strong relationships.
 - Your advisory teachers are your advocates and are your trusted adults
- During advisory, your teacher will guide you through different activities designed to help you be more thoughtful and reflective as a student and as a classmate.
 - 10 minutes daily & 50 minutes every Wednesday

Puma Safety Zone

Student safety is our highest priority. There are Puma Safety Zones at the Main Entrance as well as in the Gym Lobby. Each safety zone has 2 sets of metal detectors and xray machines.

- Students walk through the metal detectors and place their belongings on the conveyor belt removing their technology from their bags to be scanned in the xray machines.
- Since classes begin at 8:00am, students must arrive to Northtown early to ensure they have enough time to move through the Safety Zone.
 - 9th and 11th graders enter through the gym lobby.
 - 10th and 12th graders enter through the main entrance.

Important Medical Paperwork for New Students

REQUIRED:

- An Illinois State physical examination dated after September 2024
- A Dental Examination dated after September 2024

OPTIONAL:

- Students who may want to be in sports need an Illinois Sports Examination
- Any students new to Illinois got the first time attending school need to provide an eye exam

These forms are available at the Welcome Table and on the Northtown website. Most providers have these forms.

Turn the forms in to Nurse Gidget, the school nurse, the first week of school.

Freshman Electives

What are the Freshman Elective Courses?

Freshmen at Northtown Academy have the opportunity to explore a variety of engaging electives designed to spark creativity and build foundational skills. Options include Art I, which introduces basic techniques and artistic expression; Beginner Band, where students learn to play an instrument and perform as a group; Intro to Tech, focusing on computer literacy and digital tools; and Public Speaking, which builds confidence and communication skills.

These courses allow students to discover new interests while developing essential academic and personal growth skills.

All courses listed below are semester long classes.

Freshman Electives

ART 1

Art 1 is an introductory studio class in which artists will experiment with various art mediums while developing their creative problem solving skills. Based on the philosophy of Teaching for Artistic Behaviors (TAB), the class offers a variety of student choices in exploring the foundations of art and principles of design.

BEGINNING BAND

This class is open to students with any amount of musical background. This class focuses on learning the fundamentals of playing Modern Band instruments (guitar, keyboards, drums). This class also includes an introduction to music theory. This class is designed to provide musicians with the underlying grammar and syntax of musical structure and prepare them to perceive that structure with both the ear and the eye.

INTRODUCTION TO TECHNOLOGY

Learn how to navigate the online world and apply technology to academics. Students in this course learn about how to best protect themselves on the internet, learn how the world wide web functions, and research trustworthy information online.

Peek ahead to the future of technology and start to understand the role of technology in your lives. This course also walks students on how to use Google Drive and basics of presentations and speech.

PUBLIC SPEAKING

The number one fear for most people is public speaking. This class will not only talk about how to overcome this fear, but will help you become a confident public speaker. We will give impromptu speeches, research speeches, group speeches, and persuasive speeches.

Campus Life Leaders

- Campus Life is a class led by Ms. Bargielowski and Ms. Gladstein for student leaders to help promote school spirit and plan fun activities throughout the school year
- Typically, juniors and seniors are in this class and must apply to this class. We are looking for hard working students that are detail oriented, creative, and work well with others.

Campus Life

The Campus Life Leaders plan fun events for students such as:

- Homecoming
- Pep Rallies
- Spirit Weeks
- Appreciation Weeks
- Students of the Month
- Halloween Costume Contest
- Bulletin Boards
- Student Instagram Page

Key Information about Absences

- Check your student's attendance in <u>Powerschool</u> and always report your student's absences.
 - Call the main office at 773-478-3655 or Report an Absence on our school website.
 - Make sure your student does not miss school due to vacation or trips. There is time built into the school year for families to schedule travel or other commitments. The school calendar can be found on the NTA school website (https://cicsnorthtown.org/)
 - Schedule dental and non-urgent medical appointments on Wednesdays after the 1:30pm dismissal
 - Limit early dismissals. When a student leaves school early and misses class, they lose out on learning and the "ER" absence adds to the 20 days in the Attendance Policy.
